SCIENTIFIC ADVISORY BOARD (KINZEL COMMITTEE)

STAT

Ref:

Consideration was given in October 1964 to enlarging the Kinzel Board and extending its role to cover over-all, community-wide responsibilities in S&T.

There was some doubt as to the wisdom of this move and reservations were expressed as to the real value of such a community-wide S&T advisory committee.

It was decided that the Board would continue to have an advisory relationship only to the DCI.

A renewal of the Headquarters Notice repeating current responsibilities assigned to the SAC was recommended by O/DD&T/JFBlake, 20 October 1964.
